Summary: Rather dark poem about how Link feels after finally defeating Ganondorf

It's All Over

Breath in the sharp, coolness of the air

Relieving

It's all over

Collapsing

My body so torn

As well as my soul

And never shall I forget this

The air

The sky

The living hell of my past

All in ruins

Tattered are my clothes

Ripped is my skin

Fierce hate coursing through me

It's all over

I repeat it again

Just to be sure
To make it a reality
The ravaged land
Barren
Desolate
Time and time again
Etched in my memory
Never to be forgotten
My destiny fulfilled
And I can't believe
It's all over
All these wasted years
Troubled and alone
Waiting
Hoping
I know it's real
And yet...
Never will I be sure
Too much death
Too much pain
Too much hatred
Never will this fade
My head throbbing
As tears streak my face
And a whisper escapes my lips
It's all over
